Sir:

AMENDMENT AND RESPONSE

In response to the Final Office Action mailed from the Patent Office on October 16, 2000, please amend the application as indicated, and consider the remarks that follow.

In the Claims:

Please add the following claims.

21. The method of claim 1 wherein the redirecting step is initiated by an agent running on a same host as the web server, the agent in communication with a web server interface and a manager, wherein the web server interface provides an interface between the web server and the agent, and the web server interface causes that web server to redirect web page requests.

22. The system of claim 15 further comprising:
an agent in communication with the manager wherein the agent communicates the status of the web server to the manager; and
a web server interface for providing an interface between the agent and the at least one web server, wherein the web server interface causes the at least one web server to redirect browser requests if so instructed by the agent.
